All parents of Reception children should know their child's key worker but can always speak to any member of staff if there are any questions

Dear Parents and Carers,

As the half term draws to a close we'd like to say how enjoyable it's been to see everyone back. It's been lovely meeting our 9 new starters who have all settled in wonderfully. They've been getting to know everyone and discovering their favourite toys. The older children all seem so much more grown up. As well as helping the younger ones settle in, they've helped draw up new club rules, and been excellent role models whilst playing and when taking the lead during the fire drill. We've got 2 more children joining after half term and we know everyone will make sure they feel welcome. For those coming next week – we look forward to seeing you for some Halloween fun. Enjoy half term everyone and see you in November.

Contacting the Club

Parent invoices are sent from a 3rd party system and not the clubs email address. It isn't monitored daily and only invoice queries should reply to that email.

The Club's email account is: burtonoutofschoolclub@gmail.com

It is checked daily. All queries should be sent to this email. This is the best way to notify us of any changes to sessions. Please give as much notice as possible. You will always receive a reply.

Alternatively, you can speak to a member of staff directly or call us on **01484 606065** or **07743351073** between 730-845 and after 3pm only.

Holiday Club

Our Summer Club was a huge success. As well as enjoying the trips to Cliffe House, Beldon Brook and Greenhead Park, children said they loved the Pirate Day Treasure Hunt, Rock painting, bikes and scooters, gardening, sports and the water fight. They also enjoyed just playing and spending time with friends and of course the Berry Crumble. Thank you for the feedback, we're already taking it into account.

Next Week we will be open on Wednesday 27th and Thursday 28th October. As well as all the usual toys and equipment we will also be doing, pumpkin hunts, pumpkin carving, Halloween arts and crafts, Spooky activities and Halloween party games. We have dressing up outfits but children are welcome to bring a costume from home if they prefer.

Positive cases of Covid

You should all have received our latest Covid Policy and be aware of the reduced measures in place. Changes to any measures is now largely determined by the number of positive cases we have within the Club. We therefore please ask you all to notify us if your child tests positive, as it will help us reduce any spread in the Club and the community.

With best regards
