Autumn 2016

Welcome

We offer a warm welcome to all the new children and their families that have joined the club recently.

We have 17 new reception children and 6 year 6 children start this September.

Holiday Club

The summer holiday club was a great success, with some great trips out to Whigfield Farm, The Media Museum, and a trip to the Peace Gardens in Sheffield being a particular favorite. On the days based at the club, the children were involved in lots of fun activities such as water fights, pizza making, bush tucker trial and obstacle courses.

The holiday forms are now out for October half term. Please book early to secure a place. We are taking the children to the Cinema on Thursday 27th

Key Worker System

For children in key stage one, a list of the key workers is on display in the reception area.

Your child's key worker will introduce themselves to you and your children.

There is always a secondary key worker on duty if your child's key worker is not present for a day.

The older children are informed of who the secondary key worker on duty is in case they wish to speak with them. We do find, though that the children are usually happy speaking to any member of staff.

Angela or a deputy is available at all times if you wish to speak to someone.

Waiting List

We now have a waiting list for some of the sessions at both clubs, so we may not always be able to accommodate requests for extra sessions at short notice.
